BACKGROUND

- I enjoy meeting new people, learning about their life journey and love chatting over a cup of tea. I find the tapestry of life fascinating.
- I want to make a difference in the world and enjoy helping others. Those who know me consider me to me to be kind, patient and empathetic.
- I'm passionate about supporting those I interact with to feel empowered, positive and to live their best quality lives.
- In my spare time you will find me gardening, walking on the beach, bush walking and camping.

QUALIFICATIONS

- Bachelor of Education
- Dementia Training Australia: Understanding responsive behaviours (Certificate)
